PETITION TO REVIVE ABANDONED PATENT APPLICATION

This is a petition to revive this patent application, which was abandoned by the inadvertent filing of a corresponding PCT application February 10, 2005 without a timely rescission of the non-publication request. A rescission of the non-publication request is filed herewith. The failure to timely file the rescission was inadvertent and unintentional, and the delay until the filing of these papers was unintentional.

11/22/2005 SFELEKE2 00000093 10789653

01 FC:2453 750.00 OP

It is respectfully requested that the application be
revived. A credit card authorization in the amount of \$750 for
the petition to revive is enclosed herewith.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Th. M. Freiburger", with a large, stylized loop at the end.
